SUMMARY

Mechanical Engineering graduate with MERN Stack development skills, passionate about building full-stack web applications. Seeking a developer role to apply problem-solving and coding expertise.

PROJECTS

Portfolio   Link to View

Developed a personal portfolio website to showcase web development projects and technical expertise. Built using modern web technologies (HTML, CSS, JavaScript, React) with responsive design, smooth navigation, and optimized performance. Features include project case studies, contact integration, and a clean, professional UI to highlight skills in front-end and full-stack development.
